CS 1200

Intra oral Camera

The compact CS 1200 intraoral camera delivers the highest image quality in its class – at a surprisingly affordable price. Designed with usability in mind, the camera makes sharing images between operatories easier than ever. Plus, with the ability to store up to 300 images in the camera, the CS 1200 eliminates the need for placing a computer in every operatory to further maximize your return on investment.
