RENEW YOUR SKIN

WITH LANOLIN +
MULTIVITAMINS

Clinically Proven

- ✓ Boost moisture levels
- ✓ Retain hydration
- ✓ Smoothen roughness

Why Cranberry coated gloves?

Cranberry's coated gloves prevent skin irritation during extended periods of wear. Our gloves have been tested by Switzerland-based Skin Test Institute and proven to significantly improve skin health.

Benefits of Lanolin and Multivitamins

Our exclusive blend of lanolin and multivitamins provides unique benefits to help prevent skin irritation

Moisturizes and prevents dry, rough patches from forming

Rejuvenates skin

Smoothens roughness

Helps retain natural moisturizers

Repairs skin cells and heals skin

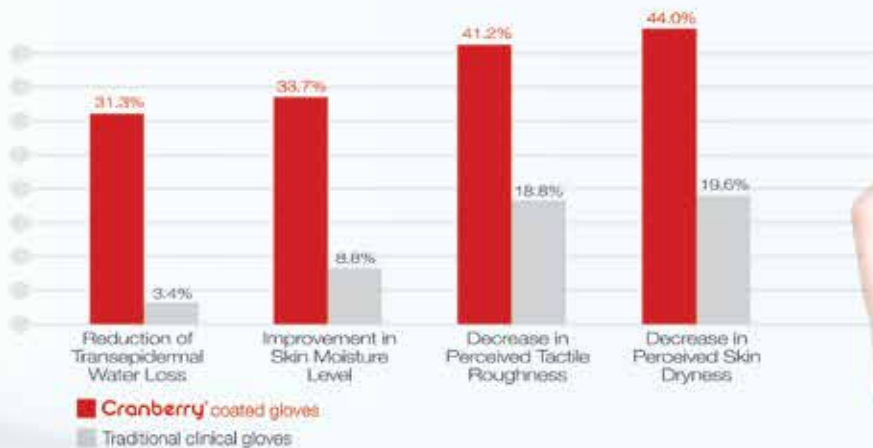

Firms skin

Improves elasticity and speed of healing

Measurements Evaluated After Eight Wearing Sequences

Cranberry's coated gloves drastically reduce perceived skin roughness and dryness

Schottlander LA Powder Free Gloves
